What are the lyrics to Payphone by Maroon 5?

Claude-instant-100k Poe

Here are the lyrics to "Payphone" by Maroon 5:

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two?

Yeah, I, I know it's hard to remember,
The people we used to be...
It's even harder to picture,
That you're not here next to me.
You say it's too late to make it,
But is it too late to try?
And in our time that you wasted
All of our bridges burned down

I've wasted my nights,
You turned out the lights
Now I'm paralyzed,
Still stuck in that time when we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two?

If happy ever after did exist,
I would still be holding you like this
All those fairytales are full of it
One more stupid love song I'll be sick

You turned your back on tomorrow 'cause you forgot yesterday
I gave you my love to borrow, but you just gave it away
You can't expect me to be fine, I don't expect you to care
I know I've said it before but all of our bridges burned down

I've wasted my nights,
You turned out the lights
Now I'm paralyzed,
Still stuck in that time when we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
And I don't have a change to pay the phone

One more fucking love song, I'll be sick

Oh, you turned your back on tomorrow
'Cause you forgot yesterday
I gave you my love to borrow
But you just gave it away

You can't expect me to be fine
I don't expect you to care

Man, fuck that shit
I'll be out spending all this money
While you're sitting round wondering
Why it wasn't you who came up from nothing
Made it from the bottom
Now when you see me I'm stunting
And all of my cars start with a push of a button

Telling me the chances I blew up
Or whatever you call it
Switch the number to my phone
So you never could call it
Don't need my name on my show
You can tell it I'm ballin'

Swish, what a shame could have got picked
Had a really good game but you missed your last shot
So you talk about who you see at the top
Or what you could have saw but sad to say it's over for
Phantom pulled up valet open doors
Wished I'd go away, got what you was looking for
Now it's me who they want, so you can go and take
That little piece of shit with you

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone, baby it's all wrong
Where are the plans we made for two?

If Happy Ever Afters did exist
I would still be holding you like this

All those fairy tales are full of shit
One more fucking love song, I'll be sick
Now I'm at a payphone
